

Architectural elevation drawing of a building facade. The drawing shows a central entrance area with a door and a window, flanked by balconies. The roof is a gabled structure. Dimensions are given in meters: 6.00m for the width of the central area, 4.27m for the height of the second balcony, and 6.00m for the height of the first balcony. The drawing is labeled with '9' and '16' in circles at the bottom.
